Mr. Louis Garfinkle
City Auditorium
Savanah Ga.

Dear Sir:

Although Mr. Roberts is taking care off all my business in Savanah, pertaining to the ball games we hope to play there, I decided to write you directly as the time is drawing near for the season to start. I had expected a definite answer by ~~this~~ time as to whether or not we could have the Savanah Ball park to play during our training period.

Mr. Roberts has written me that we will have to train in the fair grounds. That is satisfactory, but I want to play a game at the ball park on Sunday April 14th, and any other nights I could have between the 14th and 21st.

I would certainly appreciate hearing from you about these days, as I will plan my entire trip around the days I will be able to be in Savanah.

The 14th is just about a month off, and there is quite a little to be done in conjunction with advertising etc.

I would liked to have had the park for the 7th also, but Mr. Kennedy told me The Bears were scheduled there on that day, so I did not even bother to ask about that date.

Please let me hear from you by return mail if possible.

Very TrulyYours
